### Advising Guidelines effective Fall 2021

**Important note:** This chart is intended to help students in the Cooperative M.Div. program make informed choices about courses they may take at Hartford Seminary that will satisfy core area degree requirements at Boston University School of Theology (STH). Students should be aware, however, that whether or not a Hartford Seminary course will meet a specific area requirement is a determination that is finally in the hands of STH, and that decision is made after the student has applied and been admitted to STH. This chart is a reliable guide of equivalency, *but not guarantees*. Course offerings and degree/ curricular requirements (or configurations) at all institutions change over time; therefore, this chart will be periodically updated by Hartford Seminary. Students should check the website each academic year for the most recent version of this document.
