

Budd Building Microphone and Amplifier

1. Locate the Pyle Pro Amplifier from Room 14 of the Budd Building.
2. Plug in the Amplifier. One red light will be on to show that it is in standby mode.
3. Turn the Amplifier on (the on/off button is located at the top left near the red light). Two red lights will now be visible.
4. Turn on the lapel mic. If no sound, make sure it is plugged into the amp and on.
