

**MASTER OF ARTS PROGRAM
STUDENT DEFINED GOALS WORKSHEET**

Student's Name: _____

At the initial advising session (which should be held within a month of enrollment) the student and advisor will discuss the program learning goals as outlined on the Program of Study Worksheet/Learning Goal Matrix and establish at least one but no more than three learning goals the student wishes to fulfill over the course of the program. These goals will be tracked and revised as needed during the subsequent annual report advising sessions. This form should be returned to Registrar's Office for inclusion in the Student's Learning Portfolio. Copies should also be kept by the student and the advisor for future reference.
